

You can follow the AIR Network and find out more about our activities via:

the AIR Network Blog: airnetworkafrica.com/

on **T**witter: #airnetwork

The AIR network wish to thank the following community members both for their involvement in the project and for their permission to reproduce the works that they created during the project:

Omae Jared, Julius Obi, and Dennis Weche

This work was supported by the Arts and Humanities Research Council and the Medical Research Council Global Challenges Research Fund Global Public Health: Partnership Awards (grant number xxxxxx)
