Dear Cathryn

**RECOGNITION AWARD**

I am delighted to inform you that James Ryan has approved a Recognition Award of £250 to be paid to you.

This award is for leadership of the MA Naval History team to generate the highest possible student satisfaction results. The recent PTES results showed that the MA Naval History was outstanding, ranked first in the sector comparison for teaching, engagement, and assessment, coming 2nd overall. This put the MA top of the UoP rankings.

The award will be paid to you in your next salary payment.

Please accept my congratulations and thanks.

Yours sincerely
