Dear Hugh

Re: Outcomes of patients undergoing chiropractic treatment and can these be predicted?

Thank you for your letter of 15 November 2009 addressing the issues raised in my reply to you dated 29 October 2009.

In view of your responses, I can confirm the application has now been granted approval by the AECC Research Ethics Sub-Committee.

May I take this opportunity to wish you every success in the study.

Yours sincerely

Professor J E Bolton, PhD, MA Ed, FHEA, FCC(Hon), FBCA, FEAC
Chair, AECC Research Ethics Sub-Committee
