Dear Ms Brindley,

**ODRT/COLGATE ROBIN DAVIES AWARD 2017**

I am writing further to my previous letter informing you that your application for the above award was unsuccessful.

The Trustees had ranked your submission in third place. However, and after reviewing funding, the Oral and Dental Research Trust now have sufficient funding to enable your project to go ahead. I am therefore delighted to inform you that you have been awarded a grant of £4,805 to support the work of your team.

As part of the award you will be required to submit a report to ODRT at the end of your project.

The Oral and Dental Research Trust is now an NIHR non-commercial partner and as such studies funded by this scheme are eligible for consideration for inclusion onto the NIHR Portfolio.

As outlined in the call for applications, the award will be presented to you, on behalf of your team, at a champagne reception and luncheon at the BDA Conference & Exhibition in Manchester on the 25th May 2017, an event which is being held to celebrate your success. Further details will be forwarded to you in due course.

Please accept my congratulations on receiving this award and please do not hesitate to contact me should you have any queries.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'M Kellett', is written over a faint circular stamp.

Dr. Margaret Kellett,  
Honorary Secretary,  
Oral & Dental Research Trust.
